XXI CENTRAL AMERICAN AND CARIBBEAN YOUTH CHESS FESTIVAL, COSTA RICA 2026.

I. INVITATION

Dear Central American and Caribbean Federations:

The Costa Rican Chess Federation (FCA), in coordination with the Chess Confederation for the Americas (CCA), is pleased to invite you to the XXI edition of the Central American and Caribbean Youth Chess Festival, which will take place in Costa Rica, from November 1st to 8th, 2026.

This new edition will continue the work that, year after year, has positioned the festival as the main meeting point for youth chess prospects in our region. It will be a space for high-level competition, but also for interaction among players, coaches, and officials from all participating countries.

The championship will be held at the Gimnasio Nacional (National Gymnasium), located within the Metropolitan Park La Sabana, also known as the great green lung of San José. It is a large, open space where sports areas blend with quieter corners for picnics, reading, or contemplating the landscape, with extensive grassy areas, tree-lined paths, and small lakes where people walk, run, cycle, or simply sit to chat and enjoy the fresh air. It is a place where families, athletes, and visitors coexist, reflecting Costa Rica's character: nature, outdoor living, and coexistence in a safe and pleasant environment, just minutes from the city center.

The FCA is working on the sporting, logistical, and arbitral organization to ensure an orderly, transparent event in accordance with current FIDE and CCA regulations, as well as the expectations of the region's federations.

It will be an honor for Costa Rica to receive you and to have the participation of your young talents in this XXI edition of the Festival.

IV. PARTICIPANTS

Each Central American and Caribbean federation may register one (1) official player in each age category and division, as well as one (1) federation delegate. For these official participants, the Organizing Committee will subsidize 60% of the accommodation and meal costs based on double occupancy at either the Costa Rica Tennis Club Hotel or the Irazú Hotel & Studios.

Players who won gold in the different categories of the 20th Central American and Caribbean Youth Festival, held in Puerto Rico in 2025, will also be considered official players.

The Costa Rican Chess Federation, in its effort to promote the inclusive participation of blind and deaf individuals in chess, will grant each participating federation the benefit of **100% lodging and food for one (1) person** with either of these conditions. This athlete must be included as an official player, duly accredited as a member of their delegation, and must pay the corresponding registration fees.

Similarly, each federation may register as many unofficial players and companions as it wishes; they must cover their full costs for registration, transfers, accommodation, and meals.

Each participant, player and the delegate from each country must fill out the [following form](#). The ability to complete this form will close on the same day that registrations close according to the type of representation.

The registration of all members of each delegation (players, delegates, coaches, and companions) will be the responsibility of their respective federation and the process will be complete upon properly filling out the previous form, including all members of the delegation.

No player may be registered without the approval of their own federation or if they do not belong to a Central American and Caribbean Federation.

Any exceptional situation related to player participation will be resolved by the CCA, in accordance with current regulations.

V. DEADLINES

Registration for official players and delegates must be completed no later than September 1st by a responsible person from each federation, completing the form included in these regulations. All registrations made after this date will be considered unofficial players.

For registrations of unofficial players and companions, registrations will be accepted until midnight on September 15th, upon depositing the corresponding amounts and filling out the form for unofficial players. After that date, the organization reserves the right to accept registrations.

The payment deadlines are the same as the registration deadlines (September 1st for official players and delegates, and September 15th for unofficial players and companions), as the respective registration forms will require attaching the proof of payment.

VI. VENUE

The playing venue will be the Gimnasio Nacional de Costa Rica (National Gymnasium), located in the Metropolitan Park La Sabana.

VII. COSTS

Official players and 1 delegate per country must cover 40% of the lodging (double occupancy) and meal costs during the event.

Blind or deaf players only need to pay the corresponding registration fees and, if required, transportation costs.

Unofficial players (without exception) must cover their own lodging, meals, registration, and other fees according to the CCA financial regulations.

Companions, family members, and coaches must also cover accreditation, lodging, and meal costs without exception.
